There's God in TACSFON

There's God in Tacsfon

2Kgs.1:2,3

Now Ahaziah had fallen through the lattice of his upper room in Samaria and injured himself. So he sent messengers and instructed them: "Go inquire of Baal-zebub, the god of Ekron, whether I will recover from this injury." But the angel of the LORD said to Elijah the Tishbite, "Go up to meet the messengers of the king of Samaria and ask them, 'Is it because there is no God in Israel that you are on your way to inquire of Baal-zebub, the god of Ekron?'. {Berean Standard Bible}

The Power of the Holy Spirit is the root of ALL healings, deliverances and breakthroughs (Acts 10:38)!

Brethren, happy new calendar year of Tacsfon.

In the just concluded conference, the Head of the Church gave us a succinct theme: the Holy Spirit. The Holy Spirit is our greatest heritage as the church as well as Tacsfon family. Our expectation after this great conference is to see the "sacred fire" re-ignited in all our Chapters, Sub-Zones, Zones and individual life.

But the message from the throne to all Tacsfonites shortly after this immemorable conference require our attention.

If there are challenges in your life that you thought defy the power of prayer, I have received the mandate to re-recommend the Holy Spirit to you.

- That wound/injury sustained as a result of the Gospel, take it back to the Holy Spirit and don't go to Ekron
- That shame of barrenness that have turned you to sextoy in the hands of demonic prophets/prophetess beside strange rivers, take it back to the Holy Spirit and stop consulting Ekron
- That terminal ailment/sickness that have pushed you to be erroneously giving to Caesar what belongs to Caesar, take it back to the Holy Spirit and cut off all connections with Ekron
- That marital turbulence that is suffocating your lifespan, take it back to the Holy Spirit and never inquire the way out from Ekron
- That yoke of poverty, even after hardwork, that is causing you to start imagining rituals on strange altars, take it back to the Holy Spirit and don't journey on the road to Ekron
- That repeated failures in academics and business that is frustrating your faith and steadfastness, take it back to the Holy Spirit and don't give Ekron a foothold
- That promotion/position you're pursuing and you were told "if you don't belong, no way"! Consult the Holy Spirit but don't take the identity of Ekron

And if your heart had been weighed down and completely detached from prayers, kindly contact any spiritually matured brother/sister around you for spiritual lifting or call any of our Zonal or National leaders for prayers and counseling.

*Is it because there is no God in TACSFON that you are **on your way** to inquire of Baal-zebub, the god of Ekron?*

I plead with you to discontinue that journey you're trying to embark on and just for one more time 'taste and see that the Lord is good' (Psa.34:8)

It well with your spirit, soul and body – Amen!!!
